

Capability Statement

EHR and ERP Modernization for Federal,
State, Local, and Tribal Agencies

Overview

S&P Consultants is a proud Veteran-Owned Small Business (VOSB) that delivers trusted, mission-ready electronic health record (EHR) and Enterprise Resource Planning (ERP) systems that empower federal, state, local, and tribal agencies. We leverage our proven InTegrity delivery framework to revolutionize how Fed/SLED organizations adopt modern technologies to achieve operational excellence. S&P is built on a fundamental belief that doing the right thing is never the wrong thing, and we strive to exercise integrity in all facets of our operations and delivery.

Implementation | Optimization | Integration | Sustainment
